

Musclemartonline, Inc. Acquires ConditionNutrition.com and NutriSeller.com and Selects Data Subsystems Inc as Technology Provider

[Musclemartonline, Inc.](#) announces its acquisition of ConditionNutrition.com and NutriSeller.com. They plan to increase product selection and offer an even better online shopping and customer service experience. Condition Nutrition, Inc. thanks all their loyal customers for launching the website's success. Musclemartonline, Inc. consults with Data Subsystems, Inc. for all Information Technology (IT) and web development.

Charlotte, NC (Vocus) -- Musclemartonline, Inc. announced today that they have acquired the popular sports nutrition e-tailers ConditionNutrition.com and NutriSeller.com from Condition Nutrition, Inc. in Largo, FL. Jerry Price of Musclemartonline, Inc. explained that the company "wants to take the site to a whole new level of service and navigation. We want customers to be able to not only easily buy their products on-line at discount prices, but also provide an even better on-line shopping and customer service experience." Musclemartonline, Inc. has started adding new products and their web development team is focused on improved site features. They also are planning numerous promotions in the coming weeks for existing loyal customers. These promotions will include specials on leading brands such as [VPX, Met-Rx, Syntrax and American Sports Nutrition](#). MuscleMartOnline, Inc. will also be working on exclusive deals on products such as Nitric Combustion that has been all the rage in gyms and supplement stores across the southeast.

Condition Nutrition, Inc. founded ConditionNutrition.com in 2007 and Nutriseller.com in 2009, and has experienced huge success over the past 3 years. "I remember when I started and the blood, sweat and tears I devoted to get ConditionNutrition.com off the ground running. I can only thank my customers for the sites' success. As a practicing attorney in Florida, I wanted to devote more time to my practice, but I am glad to leave CN in good hands," states Condition Nutrition, Inc. President Joseph A. Sochet, Esquire. Condition Nutrition, Inc. transformed ConditionNutrition.com from a [nutrition site](#) to a household brand in the nutrition industry by excelling in customer service and continually bringing in new lines and the latest products. Condition Nutrition, Inc. also worked closely with distributors and manufacturers to create lasting business relationships that will be handed down to Musclemartonline, Inc.

Musclemartonline, Inc. works closely with Data Subsystems, Inc., a full service Information Technology (IT) company that specializes in complete integrated business solutions including Warehouse Management Systems, E-Commerce Solutions and Points of Sale. They are now active in all levels of development and optimization for both ConditionNutrition.com and Nutriseller.com. Data Subsystems, Inc. is not only on working to redesign the site's but also is creating custom software solutions for operations and logistics. Data Subsystems, Inc. CEO and President [Alex Shortov](#) commented that he "expects ConditionNutrition.com to continue to grow. We have developed a timetable for the development of ConditionNutrition.com and Nutriseller.com to improve its functionality and optimization."
