

## **Pro Whey Standard (tm) Sold Exclusively by Musclemartonline's Store Powered by Data Subsystems Inc.**

[Pro Whey Standard](#) (tm) is released. Musclemartonline Inc., which owns ConditionNutrition.com and NutriSeller.com, will be the exclusive retailer. Pro Whey Standard contains 24g of quality protein and is loaded with amino acids for muscle recovery and growth. Future press releases and email promotions are coming soon.

Charlotte, NC (Vocus) May 1, 2010 -- The answer to American Whey will be hitting the shelves at ConditionNutrition.com and NutriSeller.com this month. Musclemartonline, Inc. will be the exclusive retailer for [SNI Pro Whey Standard](#) (tm) and be sold in 3lb and 10lb sizes and in Vanilla and Chocolate flavors. With current production issues at American Sports Nutrition, Travis W. Vaughan, a company representative explains that "we needed to find a great tasting affordable alternative to American Whey." Pro Whey Standard has great flavoring formulation and is available in 10lb containers, which is one of Condition Nutrition's popular sizes." Promotion emails are soon to follow to announce its official release to customers.

[Pro Whey](#) Standard (tm) contains 24g of quality isolate and concentrate protein per serving with only 1g of sugar and 115 calories. Pro Whey Standard (tm), similar to the original 2lb Pro Whey (tm), is the perfect protein supplement for anyone whether a serious athlete or just anybody looking to stay healthy. It is a low carb and low fat protein and contains a complete profile of amino acids. Mr. Vaughan believes "Pro Whey Standard will be a great addition to the proteins we feature on the site. A quality product that mixes well, tastes great and is easy on the pocket. During these times we know our customers want to be able to get the most bang for their buck."
